As of Friday, March 10, 2017, the second floor of the Flower Memorial Library will be closed for construction for the duration of the project (approximately until June 2017).

These areas include: The Reference Department, The Genealogy Department, and The Teen Space.

The SUNY ATTAIN Lab is being relocated to a different area of the library.

The mezzanine will remain open to the public.

If you have any questions, please do not hesitate to contact the library during normal business hours at 315-785-7705.

Thank you for your patience as we work to improve our building!
