TRAFFIC ADVISORY 700 & 800 Block West Main Street

The City of Watertown's Department of Public Works crews will be in the process of milling the 700 & 800 Blocks of West Main Street between Bradley Street and Mohawk Street. The milling portion of this project will begin **Wednesday, June 7th 2017 @ 7:00am.**

West Main Street will be reduced to 2 lane traffic during this portion. Public Works crews will install temporary barricades, signage and have flagmen on-site throughout the duration of the project.

Local residents should make arrangements to park on nearby side streets while this work is underway. Public Works crews will follow standard protocol to establish traffic control on-site while the project is underway. Motorists are encouraged to use alternate routes on these dates. If traveling through, motorists should exercise caution when encountering work crews and work zones.

The Department of Public Works would like to thank you for your patience and cooperation while this work is completed.
