## **CITY OF WATERTOWN NEGOTIATING TO ACQUIRE PARK LAND ADJACENT TO THOMPSON PARK**

The City of Watertown has an opportunity to acquire 60+ acres of park land adjacent to the existing Thompson Park. The City is currently negotiating with the owners of the Watertown Golf Club to acquire their real property.

The City of Watertown has no plans to change the use of the existing property and are negotiating with the Watertown Golf Club to operate as a franchisee.

This is a once-in-a-lifetime opportunity to protect the Olmstead legacy of Thompson Park. The expansion of park land will ensure future generations are able to enjoy the park without the encroachment of other development.

For further information or questions, contact City Manager's Office at 785-7730.
