MESSAGE FROM THE CITY MANAGER

Serving as your City Manager has been a very rewarding challenge for me! I have worked diligently to accomplish the goals as directed by the former Council from the time I was hired through December 2017, and now with the new Council as of January 2018. I am very proud of our achievements!

I extend my heartfelt thanks and appreciation for the Citizens of Watertown – your charisma, warm embrace, and the relationships I have cultivated allow me to call Watertown my home! I am indebted to the entire City Staff, Department Heads and employees, who have taught me a tremendous amount about municipal operations. Thank you for our friendships and your dedication every day in making the City a great place to live, work and play! And, thank you Mayor Joseph Butler, Jr. for being a great mentor and supporter. Thank you for having confidence in the qualities you saw in me when you were a Council Member and allowing me the opportunity to make a difference as Watertown's City Manager. My decisions have always been made in the best interest of our City. God Bless Watertown!
