

Refuse Sticker & Tote Guidelines for the City of Watertown

www.watertown-ny.gov

Refuse Collection day is on a weekly basis every

Between the hours of 7 a.m. and 3 p.m.

Collection location: **All bags/totes must be placed in front of residence, in margin area for curbside pick up by 7:00 a.m.**

Collectables: (What the city will pick up)
Refuse pick up consists mainly of all non-recyclable household items and food. **GARBAGE/REFUSE WILL BE REJECTED IF IT INCLUDES / CONTAINS RECYCLABLE ITEMS.**

Blue Sticker Refuse Pick Up

The sticker program allows you to participate with the city refuse collection on an "as needed, pay as you throw" basis. The proper stickers are blue and have "CITY OF WATERTOWN" inscribed on them. Each \$3.00 sticker covers the collection and disposal costs for a single unit garbage bag with a 40 lb. maximum weight limit and a maximum size of 32 gallons.

Trash Tote Pick Up Rules **(Pre-paid on a quarterly basis)**

1. The trash tote shall be left at the curb by 7 a.m. on the day of scheduled service.
2. All trash in tote must be in plastic bags.
3. The tote must be placed at the curb with its top open no more than six (6) inches. Any bag(s) in excess of this guideline should be set next to the tote with a City blue sticker attached (1 sticker per bag) or the extra bag(s) will not be picked up.
4. No water shall be in the trash tote.
5. No hazardous or dangerous materials shall be placed in the tote.
6. If the trash tote is lost or stolen, customer shall forfeit the deposit and place a new deposit on a replacement tote.
7. If the customer cancels service, refunds will be prorated to the last week of service and the tote deposit will be refunded.
8. If the tote is picked up for non-payment, the customer forfeits the deposit.
9. Additional rules may be added or changed at the discretion of the City Manager to be valid upon notification to the customer.

Pick up of Non-Baggable Items

In some cases, we will pick up smaller items for disposal that may not fit inside your trash bag/tote.

1. It must be of a disposable nature, one that can be disposed of at the regional landfill. Example: car tire/battery cannot be picked up.
2. A blue City sticker must be attached to the item.
3. Said item cannot exceed 40lbs.
4. Item must also be able to fit in the hopper of a refuse collection vehicle; even it meets the weight limits. If it is too long or wide, we cannot pick it up.
5. Pick up of such items is at the department's discretion. If you are unsure, please call the DPW at 785-7842 or 782-2320.

Yard Waste Collection

Seasonal, bi-weekly collection service of brush, yard and green waste coincides with your recycling schedule during the months of April through November.

COMPOSTABLES - Leaves and grass clippings should be bagged (color not important). Do not put anything in bag other than leaves/grass or bag will be rejected. Bags should not weigh more than 40 lbs. If bags exceed 40 lbs, are split, or broke open, they will be rejected.

BRUSH - Must be placed in **small piles** about 3 feet high, no longer than 5 feet, and each branch cannot

exceed 4 inches in diameter. Keep material so that it can be picked up by one man and thrown into a truck. Try to place smaller twigs and branches in a trash can, not to exceed 32 gallons in capacity.

This program is to assist in yard maintenance only. It is not intended for land clearing, tree/hedge removal provided by a Contractor. Contractor must take branches and dispose of them for you.

Holiday Collection

Regular Trash & Recycling dates, which either coincide with, or follow an observed holiday will be picked up one day later than normal within the same week.

THE ONLY OBSERVED HOLIDAYS ARE:

New Years Day
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Christmas Day

Medical/Physical Concerns

If you have a condition that inhibits your ability to place materials curbside for pick up, obtain a statement from your physician containing the following information:

- Your name and address.
- Description of condition or ailment, which prohibits you from carrying containers to the curb.
- Physician's name and address.

Send this information to: Department of Public Works, 245 Washington Street, Watertown, NY 13601 or FAX to 785-7752. This will allow us to pick up trash and recyclables without your needing to take them curbside.

*Please keep in mind that the information we are furnishing you with is always subject to change. In some cases the City has to follow changes and updates mandated by other levels. This reflects our most current and accurate information.

Transfer Station Hours: Monday - Friday...7:30 a.m. to 3:00 p.m.

Saturday.....7:30 a.m. to 1:00 p.m.

(commercial and residential)

- Jefferson County's transfer station is open to all residents of the County for the disposal of solid waste and recyclables. The transfer station is located at **27138 NYS Route 12**, 4 1/2 miles north of the City of Watertown.
- The County will accept bulky items, such as furniture, construction debris and junk, **at \$120 per ton**. Vehicles with bulky items will be weighed in and out on the County's certified truck scales. All sales transactions will be cash only.
- Bagged trash must be in County garbage bags, which are available at the transfer station for **\$2 per 33 gallon bag**. Bags are also available at the Nice & Easy Store on Bradley Street, Nice & Easy Store on Leray Street, and The General Store on Bradley Street.
- Recyclables and white goods (stoves, refrigerators, water heaters, etc.), will be accepted at no charge.
- Please see hours for the recycling center and transfer station listed above. The station is closed on major holidays.
- There is a narrow one-way road on the right-hand side as you approach the scale house (the first building). Residents that are bringing pre-paid bags or recyclables that do not to get weighed should use this road. It leads to the recyclable drop-off area and the garbage dumpsters.
- Residents who wish to use the station for the disposal of bulky items (too big to fit in bags), should drive onto the scales and ask for further instructions.
- Residents with scrap metal should inquire at the scales.
- Residents with bulky items and pre-paid bags or no-charge items should weigh in first, then unload the bulky items and weigh out and pay before unloading the other material.
- All vehicles are required by New York State permit conditions to unload by hand.

NYS Rechargeable Battery Recycling Law

Beginning June 8, 2011 retailers that sell covered rechargeable batteries will be required to accept used rechargeable batteries from consumers *at no cost to the consumer* during normal business hours.

Batteries covered by the law include:
