FOR IMMEDIATE RELEASE
October 5th, 2020

Department of Public Works
(315) 785-7842

TRAFFIC ADVISORY / ROAD CLOSURE

Tuesday, October 6, 2020

East & West Main St. with Mill St.
Intersection Closure

The City of Watertown will begin the process of milling & paving the intersection of East & West Main Street with Mill Street beginning Tuesday morning, October 6th at 7:30am. This road closure is expected to last until mid day. Beginning Wednesday, October 7th, motorists can expect lane closures for the remainder of the week so Public Works and Utility crews can begin work on underground utilities and some essential road base repairs prior to paving the intersection.

When accessing Stewarts Shop and/or Tim Horton's we ask you enter Mill Street from Lynde Street traffic signal and exit the same way until work is completed mid day Tuesday.

Public works crews will establish detours and advance warning signage in the area.

Motorists are encouraged to use alternate routes during construction to avoid delays.

If in this area, motorists should exercise extreme caution when encountering work crews and work zones.

The Department of Public Works would like to thank you for your patience and cooperation while this work is completed.
