EMPLOYEES OF THE QUARTER

EMPLOYEE OF THE QUARTER

2ND QUARTER – 2026

This certificate is proudly presented to

Andy Weldon

On behalf of the City of Watertown, we proudly recognize Captain Andy (Robert) Weldon for his outstanding dedication, professionalism, and commitment to public service throughout more than 23 years with the Watertown Fire Department. Captain Weldon consistently demonstrated exceptional leadership, technical expertise, and a willingness to go above and beyond for his department and community. Most notably, he utilized his extensive experience to diagnose and repair a critical electrical issue on an aerial apparatus, quickly restoring an essential emergency response asset and ensuring continued protection for City residents. His actions exemplify true teamwork, professionalism, and pride in the City of Watertown, making him an invaluable asset to both the department and the community he faithfully served.

EMPLOYEE OF THE QUARTER

2ND QUARTER - 2026

This certificate is proudly presented to

Kate Henry-Wilkinson

On behalf of the City of Watertown, we proudly recognize Kate Henry-Wilkinson for her outstanding dedication, reliability, and behind-the-scenes contributions to the library and the community. Kate consistently demonstrates exceptional attention to detail through her work repairing books, processing donated materials, and cataloging new collections, ensuring patrons have access to high-quality resources. She also contributes valuable insight as a member of the Integrated Library System committee, helping support the long-term success of library services throughout the region. Always willing to step up wherever needed, Kate quietly takes on additional responsibilities, supports her colleagues, and helps resolve challenges with professionalism and a positive attitude. Her commitment, dependability, and selfless service exemplify the true spirit of an unsung hero, making her an invaluable asset to the library and the City of Watertown.

EMPLOYEE OF THE QUARTER

2ND QUARTER - 2026

This certificate is proudly presented to

Jonathan Ezell

On behalf of the City of Watertown, we proudly recognize Jonathan Ezell for his outstanding customer service, professionalism, and dedication to the community. Jonathan consistently demonstrates patience, kindness, and respect while assisting passengers and representing both CitiBus and the City of Watertown. Most notably, he took the time to assist a first-time rider traveling with two young children, ensuring she understood the transit system and felt comfortable navigating her trip. His willingness to go above and beyond for passengers, combined with his positive attitude and professional demeanor, exemplifies true teamwork, customer service, and pride in serving the public.

EMPLOYEE OF THE QUARTER

2ND QUARTER - 2026

This certificate is proudly presented to

Joshua Davis

On behalf of the City of Watertown, we proudly recognize Officer Joshua Davis for his outstanding professionalism, integrity, and commitment to public service throughout more than 19 years with the Watertown Police Department. Officer Davis consistently demonstrates dedication through his willingness to cover staffing shortages, mentor new officers as a Field Training Officer, and serve as a trusted resource for his peers. His years as a School Resource Officer at Watertown High School positively impacted countless students, faculty, and families while helping ensure a safe learning environment. Respected by colleagues and community members alike, Officer Davis exemplifies teamwork, leadership, and pride in serving the City of Watertown, making him an invaluable asset to the department and the community.

LIBERTY TREE PLANTING CEREMONY

CITY OF WATERTOWN PLANTS LIBERTY TREE IN HONOR OF AMERICA'S 250TH ANNIVERSARY

The City of Watertown commemorated the upcoming 250th anniversary of the United States with the planting of a Liberty Tree at Tower Square in historic Thompson Park on Monday.

The ceremony brought together City staff, Mayor Sarah V.C. Pierce, members of Friends of Thompson Park, Tree Watertown, and community members to celebrate both the nation's history and the importance of preserving a vibrant community for future generations.

The tree selected for planting is an Accolade Elm, a hardy and disease-resistant hybrid elm known for its graceful vase-shaped canopy, adaptability to urban environments, and brilliant yellow fall foliage. The species was chosen for its beauty, longevity, and ability to thrive for decades to come.

Liberty Trees hold a special place in American history. During the years leading up to the American Revolution, colonists gathered beneath designated Liberty Trees to discuss ideas, organize resistance to British rule, and advocate for the freedoms that would ultimately define the United States. As America approaches its Semiquincentennial in 2026, communities across the nation are planting Liberty Trees as living symbols of patriotism, civic engagement, and the enduring ideals of liberty.

"Liberty Trees were places where ordinary citizens came together to discuss the future of their communities and their country," said Mayor Sarah V.C. Pierce. "As we prepare to celebrate America's 250th birthday, it is fitting that Watertown plant a tree that will stand as a living reminder of the freedoms we enjoy, the responsibilities we share, and the generations who will follow us. I am grateful to our community partners and volunteers who helped make this meaningful project possible."

The Liberty Tree at Tower Square will serve as a lasting tribute to the nation's founding and a symbol of the community's commitment to stewardship, civic pride, and the values that continue to unite Americans nearly 250 years after the nation's birth.

CODE ENFORCEMENT

Fireworks:

As summer begins, the City's celebration season is officially underway, bringing with it a series of community events and fireworks displays across Watertown.

The summer fireworks series began on June 19th at the Fairgrounds Arena during the Watertown Pride Festival.

Upcoming events include:

- June 28th – Fireworks at St. Anthony's Church in conjunction with the Mount Carmel Festival
- July 1st – Fireworks at Thompson Park for the City's Independence Day Celebration/Concert in the Park
- July 18th – Fireworks at the Jefferson County Fair

During each event, the City of Watertown Code Enforcement Department will work closely with pyrotechnic professionals and the Watertown Fire Department to ensure public safety, including monitoring the designated safety zones and supporting crowd control efforts.

We encourage residents to enjoy these celebrations responsibly and join us in a safe and enjoyable summer season throughout the City.

Demolition Projects:

Over the past several weeks, the City of Watertown has completed six demolition projects. The properties were in severe disrepair and posed significant safety hazards to the public. Each structure has now been fully demolished and removed, eliminating the risks they once presented to the community.

- 400 Washington St: Carthage Savings & Loan
- 136 Court Street: Five new apartments
- 447 Flower Avenue West: New single-family home
- 1343 Loomus Dr: New single-family home
- 172 Clinton St: Carriage house renovation – 4 units
- 226 Hoard St: New single-family home

Completed Projects

- 319 Coffeen St: New Stewart's Shop
- 1068 Arsenal St: 7 Brew Coffee

Permits & Code Enforcement Activity

From April 15, 2026, to present, the City has issued:

- 219 permits
- 188 violation letters

PURCHASING DEPARTMENT

The City of Watertown's Purchasing Department is responsible for acquiring goods, services, and construction projects on behalf of the City. The department ensures that procurement processes are fair, transparent, and competitive through a formal bidding process.

Bid #2026-16 US Route 11 (Mill Street) Over Black River Overflow Bridge Rehabilitation Project – Deadline 7/7/26

The City of Watertown is seeking sealed bids from qualified bidders for the rehabilitation work of the US Route 11 (Mill Street) Over Black River Overflow Bridge described in the bid specifications. The project's work includes providing all labor, materials, machinery, tools, equipment and other means of construction necessary and incidental to the completion of the work shown on the plans. Please use the link for additional information:

<https://prod3.evo.cloud/watertownny/portal/bids/537/>

Bid #2026-17 Lift Stations Standby Generator Installation Project – Phase 3 – Deadline 7/7/26

The City of Watertown is seeking sealed bids from qualified bidders to supply all labor, materials, and equipment to install and connect entire standby generator systems, with transfer switch, at each of the three (3) sites as shown in the bid specifications. Please use the link for additional information:

<https://prod3.evo.cloud/watertownny/portal/bids/538/>

RFP #2026-08 Legal Services (ERPO & Police Code) - Deadline 7/22/26

The City of Watertown is seeking sealed proposals from qualified attorneys or law firms to provide legal services related to Extreme Risk Protection Order (ERPO) matters and Municipal code and ordinance violations prosecution and related legal services on behalf of the City and/or the Watertown Police Department. Please use the link below for additional information: <https://prod3.evo.cloud/watertownny/portal/bids/542/>

Please visit our website at [City of Watertown – Purchasing Department](#) for all Bid/RFP opportunities. If you are not already in our Evobid system, you will have to create a log in to our website system to download the specifications. Once you submit your information, you will be notified of any changes on the Bid or RFP. You will also automatically be invited to view any other project related to your company and have access to our EvoBids platform to view any bids/RFPs currently open by the City of Watertown. Thank you.

POLICE DEPARTMENT

Community Interaction

WPD Officer Matt Gooshaw and City of Watertown Executive Secretary to the Civil Service Commission, Angela Robbins, were recruiting at Fort Drum's Mountain Fest on 06/25/26.

Police Academy:

Ft. Drum Garrison Commander, Col. Jason Adler, dropped in on our Police Academy Recruits a few weeks ago while they were participating in Emergency Vehicle Operation training on post.

Col. Adler drove the course himself and managed to get the fastest time of the morning!

Col. Adler is pictured above (center) standing next to our Training Director, Sgt. Bob Sines, and the rest of the police academy recruits and EVOC instructors. Ft. Drum has teamed up with our academy to conduct EVOC training on Ft. Drum airfields for over 20 years!

Award Presentations:

City of Watertown Employee of the Quarter and WPD Officer of the Quarter Presentations were made by City Manager Eric Wagenaar and Police Chief Charles Donoghue on 05/25/26 at the Public Safety Building. WPD Officer Joshua Davis was recognized by both City Hall and the Watertown Police Department for the second quarter of 2026.

FIRE DEPARTMENT

Vehicle Strikes Residence

On June 21, 2026, the Watertown Fire Department and Watertown Police Department responded to a motor vehicle accident in which a vehicle struck a residence at 901 Washington Street. Prior to impacting the structure, the vehicle also damaged an ornamental light pole.

Following assessment of the driver and removal of the vehicle, the City Codes Department evaluated the structural integrity of the residence's front porch. The inspection determined that temporary structural shoring was necessary to protect life and property until permanent repairs could be completed.

Fire Department personnel installed temporary bracing to stabilize the porch before turning the scene over to the property owner. The incident highlighted the value of the department's recent Building Collapse Rescue training, as firefighters applied newly acquired exterior structural shoring techniques while working closely with the City Codes Department to safely secure the structure.

Hazardous Materials Drill

On June 25, 2026, members of the Watertown Fire Department participated in a regional hazardous materials training exercise alongside Jefferson County Emergency Management, the New York State Department of Environmental Conservation, the New York State Office of Fire Prevention and Control, Samaritan Medical Center, and New York Air Brake.

As the provider of hazardous materials response services for Jefferson and Lewis counties, the Fire Department regularly participates in multi-agency exercises to maintain operational readiness and strengthen regional partnerships.

During the exercise, participants identified the hazardous material involved, selected the appropriate level of personal protective equipment, controlled the simulated release, and implemented spill mitigation procedures. The drill enhanced coordination among emergency responders, healthcare providers, state agencies, and private industry partners, helping ensure an effective and coordinated response to hazardous materials incidents throughout the region.

DEPARTMENT OF PUBLIC WORKS

Sewer

The Sewer Division recently completed a drainage improvement project on Marra Drive, an area that has historically experienced stormwater drainage challenges. This project was a collaborative effort between the Engineering Department and the Department of Public Works aimed at improving stormwater management and reducing recurring flooding concerns for area residents.

Roads

Street preparation is a critical step in ensuring the success and longevity of roadway improvement projects. DPW crews are actively preparing curbing, catch basins, and related roadway structures ahead of paving operations. Completing this work in advance helps ensure proper drainage, improves the quality of the finished roadway, and extends the overall life of the pavement.

Forestry

The Buildings and Grounds Division recently completed the planting of Watertown's Liberty Tree at Thompson Park, commemorating an important piece of the City's history. Crews also planted spruce trees at Marble Street Park to create a natural visual buffer around the hydroelectric facilities, enhancing the park's appearance while providing year-round environmental and aesthetic benefits.

Additionally, Cedar Waxwings have returned to the area and can be seen feeding on serviceberries along the front entrance to City Hall. The City continues to prioritize the selection of trees and plantings that support native wildlife while enhancing the urban forest.

Training

DPW crews recently participated in excavation safety training that included both classroom instruction and hands-on field exercises. The training emphasized identifying soil types, recognizing excavation hazards, and utilizing proper trenching and protective systems. These practices are essential to maintaining a safe work environment for employees working in and around excavation sites.

ENGINEERING DEPARTMENT

Fish Bypass Project Update

Repairs to the Fish Bypass Project have been placed on hold pending receipt of updated regulatory guidance from the U.S. Fish and Wildlife Service. In the interim, the City plans to dewater the canal this summer to facilitate necessary repairs to the pumping system. This dewatering effort will also provide an opportunity to inspect the bypass pipe and assess its overall condition, allowing staff to determine the most effective long-term repair strategy.

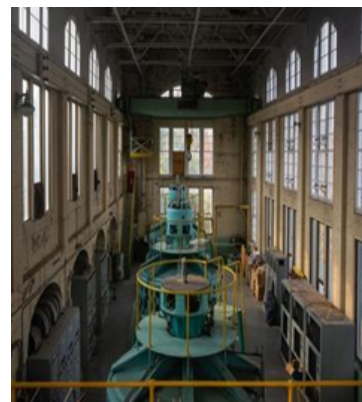

Hydroelectric Plant Breaker Relay System Upgrade

The hydroelectric plant breaker relay system upgrade is ready to proceed following the completion of design, testing, and final inspection. Installation is currently awaiting favorable water levels, as the hydroelectric facility must be taken offline and disconnected from the electrical grid to safely complete the work.

The upgraded relay system incorporates additional protective measures to meet future National Grid requirements associated with the City's 2035 Federal Energy Regulatory Commission (FERC) license renewal.

Municipal Hydroelectric Facility

Located on the Black River at the Marble Street / Beebee Island site, the City's hydroelectric facility continues to play an important role in local energy generation and infrastructure resilience.

City Hall Court Renovation

Construction continues to progress on the City Hall Court Renovation project. The lower roof installation has been completed, and the City's mechanical contractor continues connecting new ductwork and wiring to the air handling units.

The general contractor has completed concrete forming for the new side entrance ramp footings and is currently preparing interior walls for painting as the project advances into its next phase of construction.

Broadway Avenue West – Sanitary Sewer and Stormwater Improvements

Construction has commenced on sanitary sewer and stormwater improvements along Broadway Avenue West to address aging infrastructure and improve service reliability for area residents.

The project includes installation of a new sanitary sewer lateral with a backflow prevention device, upgrades to a portion of the Western Outfall Trunk Sewer (WOTS) system, and more than 190 linear feet of new storm drainage pipe with three drainage structures to enhance stormwater management. The contractor is coordinating work around existing utilities and is maintaining access to nearby properties throughout construction. Existing and new drainage infrastructure is shown below.

PLANNING DEPARTMENT

Planning Commission

The Planning Commission met on June 9, 2026, to review several development proposals throughout the City. The Commission approved subdivision requests for 424 Vanduzee Street and 430 State Street, approved a Site Plan and Special Use Permit for the new Jumpin' Goat building at 430 State Street, tabled the Site Plan application for a parking lot expansion for Pete's Restaurant at 111 Breen Avenue, and recommended City Council approval of a zoning change for 647 Flower Street.

The Planning Commission is also looking to fill a vacancy for one of the members. For more information, please visit the Planning Commission website at: <https://www.watertown-ny.gov/departments/MayorCityCouncil/BoardsCommissionsInfo>

Division Street Sidewalks

Construction on the Division Street Sidewalk Project is nearing completion. The project fills a critical gap in the City's pedestrian network by providing a new sidewalk connection along the south side of Division Street East between the Starwood Apartments and the William J. Flynn Municipal Swimming Pool pictured above. The project is fully funded through Community Development Block Grant (CDBG) Entitlement funds and has been constructed by the Department of Public Works crews.

FLOWER MEMORIAL LIBRARY

Get ready for a roaring summer! This year's Summer Reading theme, "Unearth a Story with Roswell!", is dino-mite!

For every hour you read, you'll earn one entry into our prize drawings. Here's the best part: you decide how to distribute your reading hours among the prizes in your age group! Whether you read solo, with a friend, listen to an audiobook, enjoy being read to, share stories with your dog, or flip through a picture-filled favorite, it all counts!

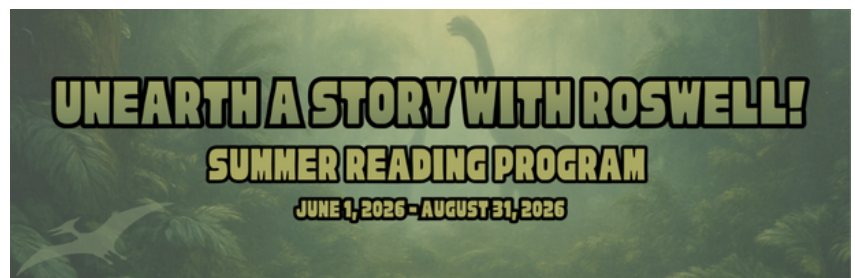

There are three age groups for this program: Children (ages 0-11), Teens (ages 12-17), and Adults (ages 18+). Participants can log reading hours online through our website or by using paper trackers available at the library. You can submit as often as you'd like — no need to wait until the end of the program!

Children can win one of the following:

- Movie Night gift basket
- Billy Beez gift card
- 4 tickets to Zoo NY
- Paint It! Pottery gift card
- LEGO Medium Brick Box
- Arts & Crafts Supplies Kit

Teens can win:

- Hydro Flask Water Bottle + Dino Nugget Pillow
- Walmart gift card + Dino Nugget Pillow
- Ulta gift card + Dino Nugget Pillow
- Adults can win:
- Stewarts Shops gift card
- Aldi gift card
- Lowe's gift card
- Ulta gift card
- Chrissy Beanz gift card
- Owala or Stanley water bottle – Winner's Choice!

All participants of any age will automatically receive one entry into our Grand Prize drawing: 4 tickets to the NY State Fair with a Parking Pass!

The fine print for all age groups: Participants may win only one prize, including the Grand Prize. If name was already drawn for a prize, another name will be drawn. Prizes will not be mailed. Winners must be able to pick up at the library. Tickets, bookmarks, and online entries must be filled out in their entirety in order to qualify.

You must enter the prize raffles for your age group. Any submissions made into other age groups will not be counted. Only one prize per person, including the Grand Prize.
