TRAFFIC ADVISORY:MULLIN STREET

**Engineering Department
Contact: 315-785-7740**

The City of Watertown Engineering Department advises the public that Mullin Street will be closed to traffic between Sherman Street and Washington Street from **8:00 a.m. to 5:00 p.m., beginning Wednesday, October 7, 2026, through Thursday, October 15, 2026**, to accommodate ongoing construction activities.

Mullin Street will remain accessible to local traffic only while work is underway. Motorists and pedestrians should follow posted detour signs and directions from on-site flaggers when necessary.

The roadway will reopen to all traffic by 5:00 p.m. each day and will remain open over the weekend. Construction is expected to be completed by October 15, 2026.

Fab Site Industries will establish and maintain traffic control measures throughout the project, including temporary barricades, signage, and on-site flaggers. Pedestrian access and right-of-way will be maintained throughout construction.

Motorists are encouraged to use alternate routes during construction. Those traveling in the area should use caution and remain alert for work crews, equipment, and changing traffic patterns.
