TRAFFIC ADVISORY: Washington Street Middle Lane Closure

JL Excavation is continuing the construction of Washington Street and Keyes Avenue Sanitary Sewer Replacement Project, and is continuing work on Washington Street.

The Middle Lane of **Washington Street** will be closed between 513 Washington Street and Keyes Avenue on **Wednesday, April 17, 2024**. The two outer lanes will be open to traffic at all times. The Middle Lane will be open to traffic by **5:00 P.M.** each evening. Construction is expected to be completed by **5:00 P.M.** on **Thursday, April 18, 2024**.

JL Excavation will follow standard protocol to establish traffic control by installing temporary barricades, signage, and having on-site flaggers throughout the duration of the project. Pedestrian Right of Way will be accessible at all times.

Motorists are encouraged to use alternate routes during construction. If in this area, motorists should exercise extreme caution when encountering work crews and work zones.

The City of Watertown and JL Excavation thank you for your patience and cooperation while this work is completed.
