NOTICE OF A PUBLIC INFORMATIONAL MEETING
FOR THE MILL STREET REHABILITATION
PROJECT

By

**The City Of Watertown And
The New York State Department of Transportation
Project Identification No. 7754.18 (Bridge NY)**

Notice is hereby given of a Public Informational Meeting to discuss the proposed U S Route 11 (Mill St.) over Black River Black River Overflow Bridge Rehabilitation Project on Wednesday August 6th at 5:30 PM at City Hall on the 3rd floor in the City Council Chambers at 245 Washington Street.

The project involves the element specific rehabilitations of the existing Mill St. Bridge over Black River Overflow in the City of Watertown, Jefferson County, New York. The project's history and goals will be discussed at this meeting to solicit public input prior to development of the final design and eventual construction in 2026.

After the formal presentation project representatives will be available to meet with individuals, groups, officials and local agencies to discuss the proposed infrastructure improvements and construction of the Mill St. Bridge.

This public informational meeting is part of the continuing efforts by the City of Watertown to encourage public input into the development of transportation projects.

For further information, please contact the Department of Engineering, Suite 305, City Hall, 245 Washington Street, Watertown, N.Y. 13601 in person, or by phone at the above number.
