FOR IMMEDIATE RELEASE
May 07, 2026
TRAFFIC ADVISORY: STERLING STREET

Engineering Department
Contact: 315-785-7740

Sterling Street will have one lane partially closed from **May 11, 2026** to **May 22, 2026** due to construction.

Sterling Street will remain open to two-way traffic throughout this time, and temporary fencing will be erected around the road and sidewalk on Sterling Street that will be closed off. The sidewalk will be closed from the City Hall Parking Lot to the side entryway of the Washington Street City Hall Entrance. Signs and barricades will be placed to direct pedestrians. Construction is expected to be completed by the end of the day **May 22, 2026**.

RSI Roofing, Inc. will follow standard protocol to establish traffic control by installing temporary barricades, signage, and having on-site flaggers throughout the duration of the project. Pedestrian Right of Way around the work zone will be provided at all times.

Motorists are encouraged to use alternate routes during construction. Motorists should exercise extreme caution when encountering work crews and work zones.

The City of Watertown and RSI Roofing, Inc. thank you for your patience and cooperation while this work is completed.
