TRAFFIC ADVISORY: Court Street

As part of the construction work for the City's ongoing Downtown Revitalization Initiative (DRI) Streetscape Project, spring work will resume beginning **April 15, 2024** on **Washington Street and Court Street**. There will be intermittent delays while the work is completed, and the City will provide additional notices in advance of expected street closures.

Also beginning on **April 15, 2024**, the short section of **Arcade Street** between Arsenal Street and Court Street **will close** for an extended duration to accommodate work at Lachenauer Plaza.

The City's contractor will follow standard protocol to establish traffic control by installing temporary barricades, signage, and having on-site flagmen throughout the duration of the project. The City of Watertown thanks you for your patience and understanding during the construction process.

The City will continue to make every effort to keep affected project areas open during construction. However, as the project progresses, short segments of roadway and sidewalk will continue to be subject to temporary closure as project needs may warrant.
