TRAFFIC ADVISORY: Burlington Street

Burlington Street will experience traffic delays on **April 01, 2026 – April 03, 2026** due to construction.

Sections of Burlington Street will be closed to **Local Traffic Only** as work progresses. Motorists and Pedestrians should refer to the detour markers and routes when this occurs.

POWIS Contracting, Inc. will follow standard protocol to establish traffic control by installing temporary barricades, signage, and having on-site flaggers throughout the duration of the project. Pedestrian Right of Way will be accessible at all times.

Motorists are encouraged to use alternate routes during construction. If in this area, motorists should exercise extreme caution when encountering work crews and work zones.

The City of Watertown and POWIS Contracting, Inc. thank you for your patience and cooperation while this work is completed.
