FOR IMMEDIATE RELEASE

October 16, 2026

TRAFFIC ADVISORY

BURLINGTON STREET & SAINT MARY STREET INTERSECTION

Engineering Department | Contact: (315) 785-7740

The City of Watertown Engineering Department advises motorists and pedestrians of upcoming paving operations at the intersection of Burlington Street and Saint Mary Street. Work will be performed by POWIS Contracting, Inc. and is anticipated to take place on Wednesday, October 21, or Thursday, October 22, 2026, depending on scheduling and construction conditions.

Motorists should anticipate temporary traffic delays and possible disruptions in the immediate vicinity of the intersection while paving operations are underway. Construction is expected to be completed within one day.

To ensure the safety of motorists, pedestrians, and construction personnel, POWIS Contracting, Inc. will implement appropriate traffic control measures, including temporary barricades, signage, and on-site flaggers. Pedestrian access will be maintained throughout the duration of the project.

Motorists are encouraged to consider alternate routes when possible and exercise caution when traveling through the construction area. Please remain alert for construction personnel, equipment, and temporary changes in traffic patterns.

The City of Watertown and POWIS Contracting, Inc. appreciate the public's patience and cooperation as these roadway improvements are completed.
