Water Over Road: Fire Flow Testing

1600 Block of State Street

The City of Watertown's Water Distribution staff will be assisting with fire flow testing on State Street on Monday, 11/16/2026. **Hydrants at 1613 State Street and the corner of State Street and Eastern Boulevard will be used.** The work will start at 8:30 AM and will be completed by 10:00 AM. The City of Watertown Water Distribution Department will provide updates if this work is not completed as planned.

Water Distribution crews will follow standard protocol to establish traffic control on-site while the project is underway. Motorists are encouraged to use alternate routes on this date. If traveling through, motorists should exercise caution when encountering work crews and work zones.

The Water Distribution Department would like to thank you for your patience and cooperation while this work is completed.
